INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF VIKRAN ENGINEERING & EXIM PRIVATE LIMITED Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Vikran Engineering & Exim Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and its cash flows for the year ended on that date.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Page 1 of 20

Emphasis of Matters

We draw attention to:

- 1. In the FY 2019-20 a survey by the DGGI (GST) department was conducted w.r.t to transaction for the FY 2017-18. Where company had accepted the GST liability of Rs. 13.36 Crore on pretext to buy peace of mind and started paying GST amount. Upto March 31st, 2022 company had paid GST amounting to Rs. 8.62 Crore against the same. During the current financial year company has received the SCN from the DGGI department and based on the legal opinion obtained, management is of the view that neither the balance GST amount of Rs.4.74 Crore is payable by the company nor there is requirement of making any provision for interest and penalty. Hence company has reversed the GST liability of Rs.12.74 Crore during the FY 22-23 and disclosed under exceptional item and recognised assets of Rs. 8.00 Crore. Presently the matter is under litigation.
- 2. As on 31st March, 2023 company is custodian of customer owned inventory amounting to Rs.39,017.89 lacs, where execution/handover to customer is pending. Further during the year company has supplied material having sales value of Rs. 12,796.18 Lacs, which are yet to be invoiced to the customer, was under certification from respective customers,. As per the management, these inventories are lying at different/ remote locations at various stages of project execution. Hence, physical verification of inventory was not possible.
- 3. We draw attention to Note No. 32 to the financial statements, we had sent positive external confirmation requests through electronic modes. However, there are fewer confirmations received than anticipated. In respect to trade receivable, trade payable and advances are subject to confirmation from respective parties and consequential reconciliation/adjustment arising there from, if any. However, management anticipates that there is no material impact due to such reconciliation and confirmations.
- 4. The Company enters into Engineering Procurement and Construction (EPC) contracts, which are complex in nature and span over a number of reporting periods. AS 7, Contracts Accounts, Revenue from construction contracts is recognised based on the stage of completion determined with reference to the actual costs incurred up to reporting date on the construction contract and the estimated cost to complete the

project. Cost estimates involves judgments including those relating to cost escalations; assessment of technical, political, regulatory and other related contract risks and their financial estimation; scope of deliveries and services required for fulfilling the contractually defined obligations and expected delays, it relies on management's estimates of the final outcome of each contract, and involves management judgement, particularly in forecasting the cost to complete a contract, valuing contract variations, claims and liquidated damages.

- 5. During the year company has accounted the work execution of Rs. 178.62 Crore which were under certification by the respective customers as on 31st March 2023. Company has started practice of raising proforma Invoice on uncertified work, where GST liability was not provided. Later as the work get certified, company raises the Tax Invoice including the GST amount. Company has taken a legal opinion according to which, GST liability is applicable only when amount is received or milestone achieve as per the contract terms. However company has reversed the uncertified sale to complied with AS-7.
- 6. At the year end, company has booked unbilled sub-contract services amounting to Rs.44.69 Crore based on the proforma invoice and joint measurement sheet between sub-contractor and company. However till signing of the financials statements out of the provision for 44.69 Crores, tax invoice has been received for Rs.26.74 Crore. Management explain that balance work is under certification from respective customers and tax invoice will be received once the work is certified by the customers.
- 7. As fully explain in Note no 28 of the financial statement, in the month of April 23, one of the client has short closed the ongoing project. The Company has accounted the project loss of Rs. 16.02 Crore in AS-7 working during the current financial year. Further, Company has taken a legal opinion based on which management is confident that it will get the refund. Hence, no provision against advances received, debtors outstanding and performance liability was made in the current financials statement. However as the matter of abundant precaution the amount is duly disclosed the amount as contingent liability.

- 8. The Company is principally engaged in the EPC business where majority of erection/installation work are carried through various sub-contractors. As a principal contractor company is liable for various labour compliance as per provisions of Employee Provident Fund Act, 1952 and allied labour Act's. During our course of audit, we found unsatisfactory compliance of labour laws by some sub-contractors. However, management has explained that they have the practice of deducting and retaining five percent amount from the invoices of sub-contractor for the PF Compliance.
- 9. The Company is principally engaged in the EPC business where majority of erection/installation work are carried through various sub-contractors. Company has a practice of material reconciliation with sub-contractor at the closer of project, whereas it should be done periodically. However, management has explained that they have the practice of deducting and retaining ten percent amount from the invoices of sub-contractor till the material is reconciled.
- 10. We draw attention to Note no 6 of the Financial Statements regarding classification of retention payable to certain vendors as non-current Trade Payable. These retention to vendors are payable only on completion and reconciliation of ongoing project which involves management's judgement.

Our opinion is not qualified in respect of these matters.

Responsibilities of Management for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances. Under section 143(3)(i)
 of the Act, we are also responsible for expressing our opinion on whether the Company has
 adequate internal financial controls system in place and the operating effectiveness of such
 controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure – 1" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations as at 31 March 2023 on its financial position in its standalone financial statements Refer Note 28(a) to the standalone financial statements;
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - (iii) There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other

persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause iv (a) and iv (b) contain any material misstatement.
- (v) The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.

Annexure - 2 to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Vikran Engineering & Exim Private Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our

audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

VIKRAN ENGINEERING & EXIM PRIVATE LIMITED

Notes to Financial Statements for the period ended 31st March 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) Basis of Preparation of Accounts:

These financial statement have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP), Including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

The financial statement are prepared on accrual basis under the historical cost convention, The financial statement are presented in Indian rupees. The Accounting Policies applied by the company are consistent with those used in the previous year.

Operating Cycle:

Assets and liabilities other than those relating to long-term contracts (i.e. supply or construction contracts) are classified as current if it is expected to realize or settle within 12 months after the balance sheet date.

In case of long-term contracts, the time between acquisition of assets for processing and realization of the entire proceeds under the contracts in cash or cash equivalent exceeds one year. Accordingly, for classification of assets and liabilities related to such contracts as current, duration of each contract is considered as its operating cycle, except for amounts with respect to legal cases or long pending disputes.

B) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period.

Estimates, judgements and assumptions used in the preparation of the financial statements and disclosures are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date.

C) Revenue Recognition

The Company recognizes revenues from contract as per Accounting Standard - 7 "Construction Contract". The progressive billing is done as per commercial terms of respective contract with the customer.

Revenue from long term contracts are recognized on the percentage of completion method, in proportion that the contract costs incurred for work performed up to the reporting date bear

Price variations are recognized only when it is probable that the customer(s) will approve them and amounts can be measured reliably.

Profit on long term contract is not recognized in the Contract Revenue if the percentage completion of contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs is below 10%.

Contract revenue earned in excess of billing has been reflected under "Other Current Assets" and billing in excess of contract revenue has been reflected under "Current Liabilities" in the balance sheet. Full provision is made for any loss in the year in which it is first foreseen.

Balance estimated cost on the reporting date is calculated as follows – (i) direct cost – based on BOQ and prevailing item rate and additional cost due to contingency (ii) indirect cost – based on historical indirect cost of respective project duly adjusted based on our assessment of factors, such as (a) what is balance completion period (b) what will be requirement of site etc. (iii) Finance Cost doesn't form part of indirect cost (overhead cost) for the purpose of calculating the AS-7 working.

In AS-7 working, price variance amount is added in sale and project value which was approved by the customer till Balance Sheet date and added the price variance amount in future projected sale and project value, which was approved by the customer after Balance Sheet date. No price variance has been considered which is not agreed and approved by the customer.

D) Income Tax:

The provision for tax computed in accordance with the relevant taxation provision under Income Tax Act, 1961.

Deferred tax is recognized, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

E) Provision, Contingent Liabilities:

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle such obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provision is made in respect of doubtful debts and advances which in the opinion of management are considered doubtful of recovery. Contingent liability is disclosed in case of a present obligation arising from past events, when no reliable estimate is possible.

Warranty provision is estimated on the Projects which are completed and handed over to the customer.

F) Fixed Assets:

Fixed Assets are stated at cost of acquisition net of Input Tax Credit inclusive of duties, taxes, incidental expenses, erection / commissioning expenses less accumulated depreciation/amortization and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to the acquisition / construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Assets having cost below Rs. 5,000/- is being charged to Profit & Loss Account in the year of purchase.

G) Intangible Assets and Amortization:

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

H) Depreciation:

The company has charged depreciation on straight-line method at the rate which has been determined by using the useful lives as given in the Schedule of II of The Companies Act, 2013 from the date it has been put to use. There are no variations in the Useful Lives and residual value of the asset from that being stipulated in the aforesaid schedule except in case of Tools & Tackles, Server: & networks which is amortized over a period of 3 years and Temporary Shed prepared at site has been amortized over the period of contract of that particular site on straight line ba is.

I) Earnings Per Share :

Earning per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Reering &

J) Employee Benefits :

i) Short-term obligations:

Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in the same period in which the employees renders the related service and are measured at the amounts expected to be paid when the liabilities are settled.

ii) Other long-term employee benefit obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in the statement of profit or loss.

K) Inventories:

Inventories are valued after providing for obsolescence, as under:

Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realizable value. However, these items are considered to be realizable at cost if the finished products in which they will be used, are expected to be sold at or above cost.

L) Cash And Bank Balances:

Cash and bank balances also include fixed deposits and margin money deposits. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and bank balances.

M) Borrowing Cost:

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds and includes interest, commitment charges, loan processing charges, loan facilitation charges, discounts/premium on borrowings, other ancillary costs incurred in connection with borrowings, or amortization of such costs, etc. on bank borrowings and other short-term and long-term borrowings.

N) Investment:

Long term investments are stated at cost after deducting the provision for diminution in value, if any, other than of a temporary nature. Current investments are stated at lower of cost and fair value.

0) Operating Lease:

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

P) Dividend distribution to equity shareholders of the Company:

The Company recognizes a liability to make dividend distributions to its equity holders when the distribution is authorized by its Shareholders in ensuing AGM and the distribution is no longer at its discretion. A corresponding amount is recognized directly in equity.

ii-a) Inrepsect of Related Party	0.83	83.21
C. Commitments		
i) Estimated amount of contracts remaining to be executed on capital account and not provided for		7.56

[•] The management has estimated the provisions for pending litigation, claims and demands (including cases relating to direct and indirect taxes) on its assessment of probability for these demands crystallizing against the Company in due course. The difference between the amount demanded and provision made is disclosed as contingent liabilities. One of the client has invoked the advance and performance bank guarantee of Rs.1530.41 lakhs in the month of April,2023 and short closed the project. Company had file the case against the client and as abundant precaution booked the project loss of Rs.1602.09 lakhs. However, based on the legal opinion, company has high probability of wining the case and get the refund of above mentioned amount. Therefore, management is confident to recovered the entire amount. Hence, no provision against advance received, debtors outstanding and performance liability has been made during the FY 2022-23.
